P.O. BOX 1280

December 12, 1972 TOPEKA, KANSAS 66601

Honorable Bob Dole
Senate Office Building
Washington, D. C. 20510

Dear Bob:

I appreciate your note. I came out with a complete OK, except for the sciatic nerve in my right leg, which is uncomfortable, but not serious.

I think you can do a better job building your fences in Kansas relieved of the National Chairmanship. That was a greater asset to all Kansans than was generally realized.

With highest personal regards
and every good wish -

Lymen
