Hon. Bob Dole

Washington, D. C. 20510

Dear Bob:

I appreciate your thoughtful and warm birthday greeting. It was kind of you to take the trouble to write me.

Please put the enclosed in the Congressional Record.

I was sorry to miss your small breakfast here. I suppose Huck Boyd mentioned to you at least my brief penciled note to him from Estes Park on what the Republican Party was facing next year in Kansas.

With highest personal regards
and every good wish -

Alf M Landon
