TOPEKA, KANSAS 66601

Hon. Bob Dole  
Senate Office Building  
Washington, D. C. 20510

Dear Bob:

I think you made a mistake in your statement that you did not want the President speaking in Kansas except for a dedication ceremony. From what I hear, I think you alienated more votes - or at least active support - than you gained. That goes for the rest of the Senators, also, in their states.

Best wishes, as always -

AML:j
