Dear Bob,

I would like to express my admiration for the integrity and determination with which you pursued your campaign for the presidency. Your tenacity and perseverance under unfavorable conditions are admired by all.

I am glad we had the opportunity to chat during my recent visits to Washington. I thoroughly enjoyed exchanging views on developments in our region.

We all appreciate the friendship and support you have shown Israel, and particularly your campaign for moving the American Embassy to Jerusalem. I hope you will continue to play key leadership roles in the future.

Sincerely,

Benjamin Netanyahu
