The Honorable Bob Dole

Dear Senator Dole,

I am proud and honored to send to you the enclosed proposal on future developments of Jerusalem.

I remember fondly our meeting in your office following your initiative regarding the American Embassy's move to Jerusalem, and am grateful for your ongoing loyalty, support, and involvement on behalf of our capital city.

As we approach our Trimillennium anniversary, Jerusalem is facing a new era of growth and development. Now, more than ever, we need your support to help realize our goals. Your consideration of the enclosed material and your support for our crucial efforts would be most appreciated, and I would be pleased to receive any comments or thoughts that you may have on these matters.

On behalf of myself, the people of Jerusalem, and lovers of the City of Peace all over the world, please allow me to express my true gratitude for all that you have done, for all that you are doing, and for all that you will strive to do in the future.

Yours sincerely,

Ehud Olmert
