

OFFICE OF THE VICE PRESIDENT
WASHINGTON

August 9, 1960

Dear Mr. Dole:

This is just a note to congratulate you on your nomination in the Kansas primary last Tuesday as the Republican candidate for the House of Representatives from your district.

The campaign ahead promises to be the most rigorous in recent political history, in my opinion, but I am confident that success at the polls will be ours provided that we take nothing for granted in any precinct, in any county, in any district.

Looking forward to working with you for victory in November and with every good wish,

Sincerely,

A handwritten signature in black ink, appearing to read "Dick Nixon", written in a cursive style.

Richard Nixon
