Dear Bob:

This is just a note of congratulations on your efforts to assist the senior citizens in your district to gain a better understanding of the programs and services of the various government agencies. This will certainly contribute to a mutual understanding of what these programs offer and what are the needs of the people. The ultimate result will be the improvement of essential services for all concerned.

I am sure your meeting will be most successful and I hope that you will extend my best wishes to all participants.

With warm personal regards,

Sincerely,

The Honorable Robert Dole
House of Representatives
Washington, D. C.
