

THE WHITE HOUSE  
WASHINGTON

November 21, 1969

Dear Bob:

I am much aware of, and deeply appreciate, your vigorous support of the Haynsworth nomination. I believe you will take great pride in your leadership in this struggle as time moves on. Plainly the Court needs men of Judge Haynsworth's philosophy to restore the proper balance to this great institution, and I propose that we continue our effort to provide the Court with such men.

With warm regard,

Sincerely,

A handwritten signature in dark ink, appearing to be "RD", enclosed within a simple, hand-drawn oval border.

Honorable Robert Dole  
United States Senate
