

THE WHITE HOUSE
WASHINGTON

November 25, 1970

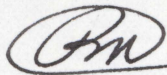

Dear Bob:

I appreciate your vote on Monday to sustain my veto of the Political Broadcasting Bill. There is a need for reform in the area of campaign spending, but the vetoed bill was discriminatory, unenforceable and impractical. It would have made the situation worse rather than better.

I am grateful for your support.

With warm regards,

Sincerely,

Honorable Robert Dole
United States Senate
Washington, D.C. 20510
