THE WHITE HOUSE  
WASHINGTON

May 11, 1972

Dear Bob:

It was most encouraging to learn of your forceful expression of support for the peace proposals I presented to the Nation this past Monday evening. Acceptance of these proposals, I believe, will bring an end to the killing, a return of our prisoners of war, a withdrawal of all forces with honor, and continued progress toward peace for all countries that have suffered for so long in this conflict.

I want you to know that you have my deepest gratitude and warmest appreciation for your support of these objectives.

Sincerely,

Honorable Robert J. Dole  
United States Senate
