Dear Bob.

Congratulations!

As Disraeli would have put it
you have now reached the
top of greasy pole in the Senate.

The vote you received is
a recognition of your superior
brain power and your
years of loyal service to the Party
in many tough battles.

With the budget & tax
issues coming up this will
be your greatest challenge.

But I am sure you have
the guts & talent to meet it.

Pat joins me in sending
our best wishes to Elizabeth
& to you

Sincerely
RN
