1  
Dear Bob-

I thought you might like  
to see a copy of the memo I  
sent to Jim Baker on the  
Defense budget.

I made these same points  
to the President when we talked  
on the phone. You are right  
on target on this issue.

I look forward to  
seeing you + Tom - when  
you are up this way -

Warm regards  
R
