*Bob,*

This is just a note to tell you how much I appreciated the way you went to bat for me in your appearance before the Kerry Committee. Incidentally, I thought Eagleton's response to your testimony was pretty weak. When he suggest that his amendment would not have prevented the President from launching a rescue mission to bring back the POWs, he must have been inhaling whatever he was smoking!

I was delighted to hear from Tom that the prospects on Tuesday for the Senate have picked up considerably. If we can keep the losses down to two, you will have the votes you need to avoid Cloture. If our candidates did not have the drag at the top of the ticket in some of the key states, we might have even picked up a couple of seats. I hope the late surge by Bush may make a difference in a close race like Kasten's in Wisconsin.

I will be looking forward to getting your assessment after the returns are in on Wednesday.

With warm regards,

Sincerely,

*Bob*  
*you have done a great  
job campaigning for  
our candidates!*

The Honorable Bob Dole
