PAUL E. PENDERGAST
ADMINISTRATIVE ASSISTANT

Dear Jim and Bob:

I respectfully request and urge you to support and vote for Senator Gale McGee's bill, S. 2574, to simplify voter registration procedures.

Complicated voter registration procedures do much to discourage participation in elections. I believe we should pass legislation in this Congress to make it easier for our citizens to register and vote. Surely, we can agree that it is a desirable goal to encourage broader participation in the democratic process.

Best personal regards.

Sincerely,

William R. Roy
Member of Congress
