BOB DOLE

The Honorable Robert Dole
United States House of Representatives
Washington, D. C. 20515

Dear Mr. Dole:

Your presence at the airport last Saturday night was very much appreciated by Nancy, especially in light of the late hour and bad weather.

I deeply regret that the unforeseen circumstances precluded my seeing you -- if only to wish you well in the coming political season.

Thanks again, and kindest regards.

Sincerely,

Ronald Reagan
