

THE WHITE HOUSE

WASHINGTON

June 6, 1981

Dear Bob:

Thank you for your work in helping to forge a new tax plan to restore strength to America's economy. Your presence in the Rose Garden for the unveiling of this plan was essential to help insure the public support that will be necessary for passage, and I am grateful for your support and leadership.

Sincerely,

*Ronald Reagan*

The Honorable Robert Dole  
United States Senate
