

THE WHITE HOUSE
WASHINGTON
February 6, 1985

Dear Bob:

I was very pleased that the Senate Judiciary Committee voted favorably on the nomination of Ed Meese to be Attorney General, and I very much appreciate your support for Ed's confirmation.

Confirmation of the Attorney General is one of the most significant responsibilities of the Senate Judiciary Committee, and I know you gave a good deal of serious thought to this important matter. I believe the Committee acted wisely on this issue, and urge favorable action by the full Senate as soon as possible. Again, my thanks for your help.

Sincerely,

Ra

The Honorable Robert Dole
Majority Leader
United States Senate
