Dear Bob:

Nancy and I are delighted to join your family and friends in wishing you a very happy birthday! We pray that the coming year will be full of rich blessings and that the years ahead will be as abundant and rewarding as the years gone by.

Regardless of what lies ahead, pause long enough to enjoy today. Celebrate life, its accomplishments, and hope for the future. May it be a joyful celebration, shared with those you love. Today is a special day for us too because you are a special friend.

Sincerely,

Ron
