Dear Bob:

I wanted to write you after the Iowa debate and let you know I thought you did a splendid job, not only as an individual candidate, but also as a member of our Republican team. I have just watched the New Hampshire debate. Again, I think the American people were presented with a clear, forceful and attractive alternative to continued Democrat mismanagement. I thought you did an outstanding job.

With every best wish,

Sincerely yours,

Keith G. Sebelius
