Dear Senator Dole:

I am writing to encourage you to become a co-sponsor of S. 2240, the Comprehensive AIDS Resources Emergency act that Senator Hatch and Senator Kennedy have co-authored.

I know that you have consistently supported legislation to improve the nation's health. In fact, the CARE bill is needed to insure the integrity of health care systems in over a dozen U.S. cities that have been hit hardest by AIDS. Equally important, it will provide funds to all 50 states to develop rational care systems for people with HIV disease.

Your personal support of this initiative could make all the difference. I hope you will give this urgent matter your earliest consideration.

Best personal wishes,

*Elizabeth Taylor*
