HOUSE OF LORDS
LONDON SW1A 0PW

6th November 1996

My dear Senator Dole,

I was saddened by the outcome of the election for President and am writing to convey my sympathy to you and Elizabeth. You fought a brave campaign in difficult circumstances. I know that you would have made a fine President. I trust that you will continue to bring your wisdom, experience and integrity to bear on your country's affairs. America needs you.

With warm regards
to you and Elizabeth

Yours sincerely
Margaret Thatcher

Senator Robert Dole
