

1945 W. Wells  
Russell Kansas

Dear, Mom, Dad, Kenny, Norma Jean, Gloria:

Here it is Friday again; the weeks are going pretty fast. Sue been here a little over 5 weeks.

I found me an afternoon job day before yesterday; I work from 1:30 till 3:30 it's only 2 hours but I get 45¢ an hour which is plenty good; I could work longer but if I did I'd have to quit football which I'd hate to think of doing.

"Chuck" will be home probably before you get this letter he's also having financial trouble I told him to look Dad up and talk to him, about football and everything about school.

X. U. goes to Milwaukee to play Marquette tomorrow. It looks like we lose again. Ask Chet and Bub if X. State has dropped out of the Big Six yet. I guess they might

as well they ~~have~~ <sup>are</sup> in game. why!  
they're even worse than K. U.

The invitation I am enclosing  
is a sample of the ones that we  
delivered in beer bottles to our dates.  
It ought to be a swell party. Hope my  
boats get here. Thanks for sending  
the outfit especially the cooks they're  
really good.

Q. Did Kenny break his arm  
in football practice? He must have  
done something he hasn't written  
a word in 5 weeks, tell him to  
keep trying and I'll show him how  
football is really played in a couple  
of weeks when I come home to visit and  
catch up on my sleep. I studied till  
4 A.M. Wednesday. Well its 1:15  
~~to~~ and time I started for work. I'm  
working on a greenhouse. ~~They're~~  
~~direct~~ Have Kenny write when  
he gets his arm out of the cast. Ha Ha

Dad you might want yourself  
when your back gets lumbered up.

I'll send my laundry today if  
I have time. I haven't seen that  
body about doing it yet.

Love  
Bob
