

Dear Folks:

The reason I haven't written is that there's not much to write about.

I hear Russell won a football game, has Kenny got to play yet? K. U. got beat by Temple as you'd already heard I suppose. Next week they play Washington and the next week they play Nebraska at Lincoln. All the freshmen on the first two teams get to go along we should have a lot of fun.

I'm still on the first team and it's plenty rough scrimmaging the varsity every night.

It's been raining all day here so there's not much I can do but study. I went to church this morning and the show this afternoon though.

I ~~can~~ ^{could} come home ~~this~~ ^{next} week. And if it wasn't for missing work on Saturday. I make around \$3.60 on Saturday and I hate to miss work for a day.

Errett brought Harold the car down a while ago. I guess he went home on the train and decided to drive back. Harold's taking the car back Friday afternoon and he wants me to go with him if I do decide to come I'll be home sometime Friday afternoon. Does Russell play next week. end. Don't forget to send me the Record.

~~Phew~~ Thanks for the cookies, cake and apples Mom the were all good. I just finished the cake Wednesday. I sent my laundry Saturday & your's probably already gotten it. I'll send the laundry to Stairch ~~the~~ ^{the} collars stand the collars and cuffs. By the way is my light blue shirt at home I could sure use it.

I paid

I paid my college fees Thursday and it cost me \$48.00 which really cuts down ~~by~~ my bank account. I have to pay my house bill tomorrow which is another \$25. I've got 9:00 coming for working on Saturdays which I'll get the tenth of October. I'm just delivering milk and I'm now looking for a job for a couple hours in the afternoon.

I got a letter from "Pie" yesterday I guess
he really likes X- State.

Tell the children to write to me, I'd write
to them but - I really haven't got time, or
stamps to mail the letters with.

It's a good thing I've got that forgettop jacket
here ~~at it~~ it's been pretty cold here the
last 3 days.

Dad. I'm not sure whether I could sell those
gadgets or not if I come home next week
you can explain ~~to~~ them to me more fully.

Well I guess I'd better stop writing and
start studying my Economics, my toughest subject.
It's 10.00 P.M. now and still raining.

Tell the girls.

Love

Bob

Sister (Gloria) How are you and Harold getting
along. Is he still in Wichita. I've had 3 dates. One
was with a twin ~~her~~ her name is Lela Bell
~~and~~ and she's plenty cute - I think! Don't forget

Love Bob
