Dear Dolbi:

I just thought I'd write and tell you that I get to go to Nebraska. We go Saturday morning a 6:AM and come back the same day. We're going on a special train.

I'll pay for everything, our tickets, our food and our train fare. We should have a lot of fun, KU will ~~probably~~ probably get beat though.

~~I~~ Thanks ~~again~~ for the cookies, card and all the other things that you sent me Monday. The shirt is really good looking, so is the tie and handkerchief.

I got a letter from Chet the other day and he said that the Dole family won the World Series pool as usual. The next time he razzes you, ask him how Kansas State did in their game with North Western last Saturday.

I wonder if you could get me a bank statement so that I'd be sure about the checks I've written.

I still haven't heard from Gloria or Penny or Dad since I've been here. I'm too busy to write them but I'll try to answer if ~~they~~ they write, well it's a quarter till twelve and time to go to bed so I'll stop.

Love  
Bob

I'll send my laundry today some time and you can send it back in Chet's little bag. It won't cost so much that way.

~~I~~ Send me those All-American football pictures ~~that~~ I think there in the dresser.

I thank again for everything it really  
comes in handy when you're back.

-Have I received any mail at home?  
If I have would you send it to me.
