Dear Folks:

Harold, decided to go home, today so I thought I might as well ~~send~~ send my laundry home even though I was trying to get by until Thanksgiving.

I was sick with a cold Saturday and went to bed with it yesterday; I feel pretty good this morning.

Dad what do you think of that slot-machine idea? It sounds like an easy way to earn money. Today's pay-day for my building and Sowards job I think I'll get around \$20 for last month's work.

It's really been cold around here the last few weeks; it snowed a while this morning making the ground nice and white. Have I got any gloves around the house. Mom if I have send them to me. I could sure use them.

I may go to Wichita this afternoon with Larry Spencer and Bob Sunov. I'm not sure yet we haven't any school tomorrow ~~and~~ and there's nothing else to do. If I still feel pretty good this afternoon I'll go otherwise I'll stay home and study.

Thanksgiving vacation starts the 26th ~~that~~ that's only 16 more days. ~~and~~

How's everything at home is everyone feeling O.K. How's the new store working?
Hint, Hint.

What's Krummy doing for a hot

now days. He never did come through
Laurence if he did he forgot to stop. I'll
send it home today if Harold is still
around when I finish this letter.

Did Dad have any luck on the
parlays Saturday. He don't lose if he
takes K. U. everytime they'll beat K. State 2
Touchdowns (I hope).

Well, I can think of nothing else to
write so I'll stop and see if I can find
Harold.

Love
Bob.
