

Dear Dad:

Stacia wrote to me earlier in the week and told ~~me~~ me to come home this weekend if at all possible. Well, I'm sure I won't be able to come so I thought I'd better write and tell you.

I thank a lot for putting the money in the bank for me. I wrote another check for my housebill for \$24.43. I had to write a check for \$1.25 so that I could take the housemother to dinner Sunday.

I've got a job this week end working at the stadium while the Kansas Relays are being held. Should be able to make \$5 or \$6.

I just got the package from home. There were about 20 fellows in my room when I opened it turned up I had anything to eat.

As Kenny coming down this weekend, he might as well, I think every high school in Kansas will be down for

## The Relays.

I got a letter from Harold and I wrote to him again yesterday I guess he leaves for sure sometime this week.

He told me what a swell father and mother I had and he's still hoping that Gladia will change her mind.

Well, there's not much more to say except that Spring Football ends today and Spring basketball starts Monday. I'm also out for track and my grades are still O.K.

In the Annual intra-mural track meet last week I won the quarter mile and placed second in the 220 yd. dash. Bill Hargess, track coach seemed to think that I have fine possibilities in and that I should do well next year.

Well, goodbye, thank you for the food she sent and tell her I'm sorry I can't come home but all freshmen have to stay here

this week to entertain high  
school boys. Besides that,  
I'll be working Friday  
Saturday
