

Dear Father:

I couldn't get anyone to take me down last night so I'm sending it today.

I'm also sending some other things that I do not need any more this year.

These are the best black shoes that I can find, but tell Henry to shine them with vaseline and they will look pretty good.

Grace and I will be home the 13th of May. She is going to stay 2 or 3 days and then she wants me to go to Hutchinson for a day or ~~two~~ two.

Her mother is coming up this weekend and I am going to Manhattan for a track meet. I wish I had known that you were in Kansas City sooner; I had a chance to ride in Tuesday afternoon with a boy from the home.

I imagine the house looks pretty good by now. How are you going to get the living room furnished; are you going to cover it? It sounds as if the bug is made of out of \$5 bills.

~~Just~~ Just 5 more days of school and 3 days of Pinal exams. Did Dad plant grass this year or has he given up?

I'll start sending my clothes home in boxes next week sometime.

MOM, you never have told me what you thought of the picture of Grace I sent you. She looks a little like you I think!

Dad, am going to pay my house bill today,
its \$20.36. I just have one more after
this one and it won't be as big.

Ask Norma again if she has Buds' Smith's
address, I lost it and I want to write
him and see how he is feeling; I still don't
know what happened to him.

Tell Henry he can have the suit. I haven't
worn it which I wish but some of the guys in the
house have worn it a little.

That's all. — Love
Bob
