

Dear Mom and Dad -

Sunday night - 9:30 - I'm sitting here trying to study but I can't so I thought I'd write you a letter.

Have you heard from Maria and Larry since they left. I'm sorry I didn't stay for Sunday's dinner but ~~in~~ I had a date with a girl Sunday afternoon and I really wanted to keep it.

We had our quarterly formal party Friday night and I had to rent a tuxedo so that was what that last check was mainly for. It cost \$3.50 to rent a tux and I consider that I had to buy a tie and socks and a pair of gaiters plus what money I needed.

I haven't heard a word from the Army so I'm still going to school although I can't say that I'm getting much out of it. About every day we hear a different story as to when we will be called and I just can't see this studying when it's so uncertain as to whether we will be called. My orders to report will come to Russell so as soon as you get them call me and let me know.

I'm running the quarter for K. U. next week in Kansas city in the ~~Big Six~~ Big Six indoor track meet. I will run against boys from Missouri, Kansas State, Iowa State, Nebraska and Oklahoma. I haven't much chance to win but I'm sure

going to try. The fastest anyone
has run it and done so far is
52 and my best time is 54 but
im not in very good condition.

My girl Grace Mc Candless is
going to be initiated Saturday and
I think it would be nice if I
could send her some flowers or
something; dont you know. Her
initiation will be over at 8:00
Saturday and then shes coming to
K. City to ~~watch~~ watch the track
~~meet~~ and ~~will~~ will come
back on the late train.

Mom, send me the rest of
my clothes if there are any around
there.

Goodbye

Love

Bob.
