

Dear Mom =

Here's some more duty clothes.  
It's 2:00'clock and I have a class at  
2:30 so I haven't time to write  
you now. I'll write to you  
tomorrow. My girl wants me  
to go home with her tomorrow but  
I don't think I will. She lives  
at Hutchinson. She really liked the  
flowers I sent her. I got a dozen  
red roses. Thank's a lot for the  
money to buy them. Hope you  
can read my writing. Has Dad  
traded for a different car yet?

Mom, would you try to cash  
in that car Bond for me. My  
house bill for February is past  
due and I would use the \$18.75.

Thanks  
Love  
Bob ~~Bob~~
