

U. S. ARMY

March 21

Dear Folks:

Just finished writing the Nelsons
and Kenny. I found Kenny's address
so you needn't send it.

Tomorrow ~~tomorrow~~ we start another
problem so I probably won't be able
to write for four or five days so don't
be surprised if you don't hear from
me for a week.

It rained again today, about another
week out here and it'll look like a mudball.

Say "mom" could you send me some
shorts and some socks. We don't have
a chance to wash our clothes out here and
we only got one clean pair of socks and
no clean shorts.

We had a pretty easy day today so
we're pretty well rested up. I think
I'll like the place O.K. once I get used
to it. The fellows around here say that
they are pretty good about footballs
in this unit so there's a chance that
I may get me after maneuvers.

Not much else worth writing about,

I'll write whenever I can though.

Do you know where Phil R. is now?

It's 10:20 and time to go to bed -

Love

Bob
