

UNITED STATES ARMY

June 5,

Dear Folks

Received your letter today so
I'll answer promptly.

Remember the folks that I
was going to visit well I went
to see them yesterday and they
are certainly fine people. Mr. Harding
has been ill the past two years
and is still unable to walk. He has
progressive paralysis which has
affected his nervous system. We
talked about our fraternity and really
had a good time. His wife insisted
that I spend as much time as possible
at their home, she has two brothers
in the service, both ensigns in the
navy. They have a little girl 13 months
old, maybe I can get "junior" a
date with her sometime

To top the whole evening off
Mr. Harding's sister came to visit

them last night and she isn't had
either. She is a junior in college
and is working as a stenographer
in the shipyard this summer. They
seem to be pretty wealthy people
having 3 cars in the family and
very nice homes. Since the people
I went to visit last night live
about 10 miles from Evansville in
a small town called Newburg this
girl wants me to stay at her parents
home in Evansville on weekends so
I guess I'll have a place to sleep
from now on. All in all I'm very
glad that I went to see them.

Tell Betty and Edna Mae
hello for me if they are still
there around July 15 I may get
home to see them. If I do pretty
good in the track meet July 4 I'll
probably get a 3 day pass.

Write sooner this time

P.S. My watch, my pen and ?? Bob.
where are they
