

UNITED STATES ARMY

June 6 -

Dear Folke:

Today was the day everyone has been waiting for - invasion day. It is a little early to predict what will really happen but the invasion will surely shorten the war.

I received a letter which you wrote the 21 of May. You didn't put the right address on it, don't forget to put AT Co. on my letters. Thank Norma Jean for the pictures, I think the one where she is sitting on the steps is the best.

We are going back on the range tomorrow so I don't know how soon I'll be able to write, at least a day or two.

I read about Mr. Dawson in the News last week, how is he

now? The paper said that he was
in a Solera hospital and you
said Ellsworth, let me know and I'll
send him a card or letter.

We aren't doing too much here
but they keep us pretty busy
with short marches, map reading and
bayonet practice.

Don't forget to send me the
pictures of the garage and keep working
on that fence, I think it would
really look nice.

About all we've done all night
is to sit around and listen to the
news about the invasion. We are
staying up until 10: P.M. tonight to
hear Pres. Roosevelt's prayer.

I bought a galandine shirt and
pants Saturday and intend to buy
another pair of pants when I have
any spare ~~cash~~ cash.
Goodnight
Love - Bob.
