

UNITED STATES ARMY

June 11

Dear Folks:

Just returned from Evansville,  
I came back early because it was  
so hot.

I received the box from home  
today and it's almost gone now. I'll  
give the pretzels to the beer drinkers and  
let them enjoy them.

I bought me some clothes and  
I want to get me another pair of pants  
next payday.

We've been running every night  
trying to get in condition for our  
track meet July 4<sup>th</sup> which isn't  
too far away. Competition is pretty  
stiff but I should be able to get  
a few points.

We've come to the conclusion  
that "Mow" travels more than Mrs.  
Roosevelt. She might go to Florida  
when she gets back to do a little  
shopping, I hear that O you son

buy curtains, rugs and furniture since  
cheaper there. Better hadnt give her  
any ideas as she is liable to believe  
it and start out.

Went to church and saw a  
picture show today, spent the rest  
of the time in an air conditioned  
drug store and the Y. S. O.

Too bad about Ralph Tucker  
but I guess his number was up. There  
will probably be a lot of Russell Caswells  
before this invasion ends.

How does Henry say he  
likes it where he is now? Has he  
ever mentioned whether there has  
been any fighting going on near there

We go out on the range  
tomorrow for 3 days and it still  
say that 4:30 is ~~terrible~~ too early  
to ~~get~~ get up in the morning.

Love

Bob.

Thanks for the box, look for my  
check book and see about my watch please.
