

UNITED STATES ARMY

June 18-

Dear Dad:

I just returned from the Service Club where I've been trying to call you since 3:0'clock at 9:0'clock they finally got the call through and no one answered so after six hours I gave up. I applied for O. C. S. Friday and I wanted you to call Floyd and see if he couldn't get that letter down here in a hurry. I would have called him myself but it was impossible to get a call through to California without waiting 11 or 12 hours. I am supposed to be interviewed tomorrow but I haven't much chance because they are only taking four men from our regiment and there are at least 75 applications. I applied for infantry O. C. S. and I'm afraid that I haven't had enough

infantry basic. I put down medical
administrative for my second choice
and might have a chance at that
if I could get Floyd to write Schaeffel
and see if he couldn't get him to
write me a letter of endorsement.
Getting in to O.C.S. now is all politics
and unless you have some political
pull, it doesn't do a bit of good to
apply, but I did anyway.

Had a letter from "Mom" she
seems to be having a big time
with "Butch" and she talked like
she might take him home when
she goes back.

Hope you had a happy Father's
Day, but I don't imagine you
could do much without Mom
there. I'll let you know how I
make out with this O.C.S. deal.
So long
Bob.
