

UNITED STATES ARMY

June 24.

Dear Mom:

Received and ate the contents of the box you sent me so whenever you're ready to send another, don't forget my address.

I haven't heard from "Dad" all week and only once from you. By the way I haven't received the letter in which you sent me the check. It's not that I care about the money but maybe something has happened so you had better stop payment on the check. I received a letter that you wrote the 19th with six dollars in it 3 days ago so the other one should certainly be here by now. You might have put the wrong address on the letter so it still may turn up. I hope it's a money order for I can't get a check cashed around here anyway. Norma Jean sent me \$10 for some reason so that and the \$6 you sent me is enough anyway for payday is next Saturday

I wrote Henry Wednesday and will
write him again tomorrow enclosing
Norma Jean's letter.

I haven't heard a thing about my
O.R.S. application that I made last Friday.
I tried to call Floyd and also "Dad" last
Saturday but I couldn't get a call through.
I haven't been interviewed yet and I
was in hopes Floyd could get the
letter here before I was interviewed. I
wrote him a Special D., air mail letter
so I may hear from ~~him~~ him before
it's too late.

I'll send you a picture that you
wanted me to send back to you, I'd
almost forgotten it.

I hope Gloria is feeling
good, I imagine "Butch" is keeping
you busy.

I have K.P. tomorrow so
I'd better go to bed. Write

Love

Bob.
