

UNITED STATES ARMY

June 27.

Dear Mom:

Are you out of stamps or something, I haven't heard from either you or "Dad" for over a week.

I haven't heard from Floyd as yet about my O.C.S. deal. I haven't had my interview yet and if he can get a letter to me before then I might have a chance of getting in.

The letter with the check still hasn't arrived so it must have been lost or stolen. What did you write about in the letter, maybe I got the letter and no check.

How is Butch and the family?  
Have you heard anything about my watch???

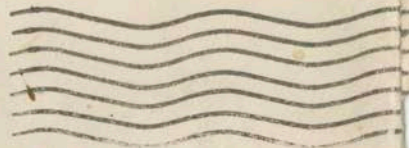

Not much of a letter but there's not ~~much~~ much to write about.

Goodnight  
Bob.

P.S. he's got R.P. again tomorrow.
