

Aug 6-

Dear Folks:

Sunday morning and lie at
Pis's house, smoking myself at home.
I came in last night and am going
back this afternoon.

Lie got a little more confidence about
D.C.S. now that lie finished my second
week. Lie passed everything so far and
I seem to be getting along satisfactorily.

I had a letter from Floyd yesterday
telling me about the letter the governor
had written for me. The letter didn't get
to Camp Buckinridge until the 23 July
and I arrived here the 17th. I guess
I got in without anyones help which
is really the best way. Governor
Schoepfel sent Floyd a duplicate copy
of the letter he wrote to Buckinridge and
Floyd sent it on to me. I'll send it
to you and you can send it back. I
haven't got it with me now so I'll
send it this week some time. I'll
write Floyd and ~~tell~~ thank him for

all his trouble for it really was nice of
him.

Pie and D.A. are going to 12:30 Mass
and Lin going to watch the bid. Ho really
is a rough little fellow but I guess
I can keep track of him.

Tomorrow is payday so I'll send
"Dad" a little of the cash I owe him. Tell
him to save it and buy a car one
of these days.

I had a letter from one of my
friends in Camp Breckenridge and he
told me that most of the fellows there
were going where Kenny is now or
somewhere close to there.

We take up the 30 cal. heavy
machine gun this week so I'll
probably be too busy to write but
I'll try to write one before the week is
over.

I told D.A. that you had
their address so send something down
for next week-end if you can. Any kind
of food will be O'kay, send it to their
address.

Love
Bob
