

UNITED STATES ARMY

Aug. 7

Dear Folks:

Tuesday evening and we're really put in a tough day. I think this place is hotter than Kansas.

Pie brought me back to ~~the~~ camp Sunday night, we had a midnight snack before we left and I really had a good time over the weekend. We played poker Sunday afternoon and I lost \$2.95, D.A. last \$1.50 so Pie was the winner.

Nothing much to write about but I wanted to send you the letter that Schaeppel wrote and also the one's you wanted of Kenney. Send the letter back for I may need it later on.

I had my first interview with my platoon leader and he seemed to think I was doing O.K.

We have a big physical achievement test this Saturday so everyone is spending their spare time doing push-ups and all sorts of exercises.

Let me know the latest news -

Love
Bob

Send me some air mail stamps -

P.S. - ~~It~~ We had these life insurance and other
Bond papers since I came in last
June. I was supposed to send them
home then but I forgot, and just now
ran across them
