

14 Aug.

Dear Folks.

Received your letter today so I thought I'd answer so that you'd know that I had gotten it.

We leave for Luanan in the morning for 5 days. We had a big test today and I think I did O.K. though I'm still a little worried about my machine gear going.

Pee and D. G. got the box Sunday morning. I don't go to town Saturday night but they come out after me Sunday noon. We went to a ball game

Sunday afternoon a They  
took me to town then had  
fixed a big supper. We  
didn't have ham because  
D.A. already had a meat  
~~to~~ loaf fixed, so we  
are planning on having  
ham this Sunday. The boy  
announced O.K., only four eggs  
broke. They said that  
you shouldn't have sent  
anything but I think it  
was really nice of you. I  
feel a lot better when I visit  
them now and not like a  
first class heel. We're having  
cherry pie too next Sunday.

The war news really  
sawd swell, One and  
I figured well ~~but~~

in a month or two by  
the way the news sounded  
Sunday night.

Were any of the 19 letters  
Henry got from me. I  
wrote him twice last week  
so he should hear from me  
before long.

I bought 3 pair of overalls  
I bought which cost me \$11.75  
for 3 pairs. They are good overalls  
'Dad' and if you want any  
I can send you some. Just  
give me your size probably  
at '42'.

I do right folks  
and thank you for every-  
thing.

Love  
Bet-
