

12-Sept

25th Company  
2nd Student Training Regiment  
Fort Benning, Ga.

Dear Folks:

Just a line to thank you for the watch. It is really a beauty. All the boys in the barracks thought it was the best looking one they had <sup>ever</sup> seen. My other watch is still in the jeweler and I'll write Pri and see if he will send it to you. We are on leave this weekend so I won't be able to send it. I'll have him insure it for \$200.

Had a letter from Anna K. today, says she is about to join the waves. I've been feeling pretty bad tonight, we had a hard test today and I know I didn't do very well. I just can't seem to catch on to some parts of the infantry, especially the markers. I'll let you know how I ~~come~~ came out on the test when I get my grade. I base about a "B" average so far but this test really got me.

D.A. had a baby shower last week. They are hoping it will be a

girl so if you want to send her something  
~~to~~ that may give you an idea.

I'm pretty sleepy and disgusted with  
myself so I guess I'll go to bed. We have  
a night problem tomorrow which lasts  
until 5:30 A.M. Thursday morning.

Thanks again for the watch fob, you'd  
better use that \$10 to help pay for it. I like  
the gold and steel case and it really is  
swell. I'm almost afraid to wear it in  
the field for I might scratch it or something.

Don't forget to send me your pictures  
so I can put them on my shelf. I still  
can't believe that "Dad" <sup>is</sup> having his taken, but  
time will tell.

"Dad" get plenty of shells for if  
I get through this O.C.S. I'll be an  
expert shot. ~~Don't~~ Don't forget to  
clean it every day, that's what we do.  
I'll write you now.  
Love "Bab"

I'll write again Thursday ~
