

4 Dec.

Dear Gals.

Havent much time before leaving and I wanted to send you the key to my footlocker and the papers on my Class 'F' allotment. you and 'Dad' can do anything with the money you like, for I love you much more than the allotment will every pay.

My footlocker probably wont be back home for 5 or 6 weeks and if it doesnt get there you will have to trace it down. I hate it because it didnt get here, I had a lot of personal things that I wanted to take with me.

I bought more clothes and if I need any of those in the footlocker

I'll write for them. Dad may as well see what he can in the meantime.

I am also sending a barracks bag so look for it in 2 or 3 weeks.

I hope Norma Jean is O.K. and am sure she won't let an operation get her down.

My new address will

Be 2^d Lt. R. J. Dole 01327518
Co. F 1st Plot.
A.P.O. 15651

76 Postmaster, New York, New York.

Got to go now, we leave here in 16 minutes. Tell everyone 'hello' and good-bye for me. I'll write again before I leave the next station.

Love Dad
