Dear Momnd Dad:

Just a few lines to let you know I'm still in the same place. It's getting much warmer here now, almost warm enough to go without a jacket. The night are still pretty chilly but we have plenty of blankets.

I sort of thought I'd hear from you today but no such luck. One of the fellows in my tent received a package this afternoon; it lasted about 15 minutes. It seems sort of funny, it takes a package about 2 months to reach here, and after finally receiving it, it lasts about a half an hour.

In enclosing a money order for \$75.00. So do what you think best with it.

I was on \$90.00 last night in a dice game so I figured I'd better send it home before I lost it. Money doesn't last long around here for most of the fellows gamble a lot just to pass the time away. If I saw Barber's any money you may as well finish paying them

With the \$75.00.

I've been doing pretty well so far

this week, for I've written every day so far.
I've plenty of time now so I may as well
write every day. It won't be long now
and I'll be too busy to write so don't worry
if you don't hear from me every day.

I met a captain from Kansas University
last night. I didn't remember him but
we had an interesting conversation talking
about school and about the fellows we
both knew.

That's about all I can think of now
folks. Hope you are all well. Tell
Reiff that I wrote Eugene, so
we may see each other pretty soon. I'm
not sure when he is but he'll know
when I am when he gets my address.
Good night folks!
Love "Bab"
