Haven't much time; but I'm sending  
my money home in this letter. You  
had better keep some of it for yourselves  
for I am both of your money.

Had a letter from both of you today  
and one from Grandpa, certainly appreciated  
them.

The fudge cookies you sent down  
were the best I've ever eaten "Mom"  
no kidding they were really good. Thanks  
a lot for the food and also the money  
order I got today. I really didn't need  
the money though; but I'll save it.

I must write those a line before  
the lights go out so I'll try to write  
you more tomorrow. I'm using  
Xiangji pen mine isn't much good.

I'm sending my ~~waving~~ ring back  
to have the set straightened, it really  
is a beautiful ring, don't you think?  
I've had several comments on it  
already. I thank you for that too. I guess  
us four kids are really lucky to  
have such swell folks - Love - Bob
