

Dear Folks: Sept - 28

Had K.P. all day so
im pretty tired right now.
Just went over to see
Henry and I haven't seen
him feeling much better
for a long time. Melvin
was in his hut with
him so we teased him
about Donna a while
and I think he has already
forgotten her.

So bad that Larry
didn't get here; we were
sort of counting on him
coming and I know he
could have helped Henry's
morale a lot if he had
come.

The 2 got here just when
I was broke so I have
enough now until pay day.

Glad to hear that Dad
is getting interested in
the American Legion. I
always did wonder why
you didn't attend meetings
and all their other activities
before. Kenny and I will
probably belong to the
same organization when
this war is over.

I heard another rumor
today, somebody told
somebody else that after
this basic training period
we will have 17 more
weeks. I sure hope it

isn't true for I'd hate to
be a private for 17 more
weeks. If every thing worked
out I could be a Second
Lieutenant by March or
April or be back in school
by then studying either
medicine or languages.

"Mom" I don't imagine
that Grace has had time to
write you. She is probably
pretty busy with rush
week and school just
starting. I haven't heard
from her ~~very~~ very much
the past week. I wrote
her last night and asked
her if there was any chance
of her being able to come

down with you if you
come. I doubt if she could
possibly miss that much
school, it would throw
her a long way behind
in her school work.

I haven't written much
but I have to write Grace
a line or two so I'd better
get it done so I can go to
bed.

Be good and if you
decide to come let me know
in advance so I can try
to find you a place to
stay. We will be home in
less than 2 months now though.

Goodnight. Love

Bob.
