CAMP BARKELEY, TEXAS

Dear Father:

Won \$5 on the Yankee today, hope
I can do as well Sunday.

Sitting here listening to Bing
~~Crosby~~ Crosby and writing letters.
Just wrote to Grace and have a
little more time so I'll drop you
a line or two.

I haven't sent any money
home yet, but I will this week-
end sometime.

Sounds like you're still on a
buying spree, just keep it up and
I won't know the place when
I see it again. I hope I'm home
for Thanksgiving but I won't
know for sure until after base.

Dad take N.V. on the parlay everytime
you have a chance and you'll win
every time. Send me the clippings about
N.V. out of the papers will you. I
know some of the boys on the team and
I would like to know how they are
doing.

Kenny and Ernie have gone to
the fights tonight and I'll probably
end up there pretty soon if I get
my work done in time.

Haven't much to write about,
have a hike in the morning just
to keep us limbered up.

Everyone is gone tonight but me
so I guess I'll stop and go watch
the fights —

Goodnight —

Don't need a thing — Bab —
