CAMP BARKELEY, TEXAS

Dear Folks.

Just took a bath and now  
I'll write a few lines.

Kenny was here a while ago  
and is going to bring my half of  
the box pretty soon, also the letters  
he's gotten the last 2 nights. He gave  
me 2 just a while ago, I really don't  
need it.

We had an 18 mile hike this  
morning and since we had to  
crawl out of bed at 4:30 A.M.  
I'm a little sleepy right now.

It was so darn windy this  
morning that every time I took  
one step the wind would  
blow me back 2 steps.

Nothing much has  
happened today ☹ just the  
regular routine stuff.

Mom, Kenny says that you are planning on coming down next Thursday. By next Thursday I will be out on bivouac and I doubt that I would be able to get to see you. We stay out for 15 day returning the 10<sup>th</sup> of November. Kenny goes on bivouac November 1<sup>st</sup> or 2<sup>nd</sup> I think.

Bivouac means manumers which means that we will be sleeping in tents for 2 weeks. Why don't you go to New Mexico just and stop to see us when you are on your way back. If we get a furlough we will probably be home about November 20<sup>th</sup> though I'm still not sure whether or not we will get one.

The pictures are really good and the little holder is plenty handy.

Everyone I've showed the pictures too remarks about how young you both are. Looks like "Dad" is losing weight. I'll probably weigh more than he does before

long. Peggy Tyson is as cute  
as ever ~~isn't~~ isn't she. Goke and  
Della seem to be doing all right  
in spite of the rationing program.

I just went over and got  
my stuff and I'll start eating  
as soon as I finish this. Send  
the rest of the boxes to Henry for  
I won't be here to get them until

Nov. 10.

Goodnight, thanks for  
every thing .. Love

Bab.
