CAMP BARKELEY, TEXAS

Dear Dad:

Just a line to let you know that I'm O.K. I hope the baby is getting along O.K., I had a card from "mom" yesterday and she thought the "kid" was doing much better.

Tomorrow is our 9th day of bivouac with 6 more to go before our training ends. May be home on furlough, but I'm not sure yet.

They are keeping us pretty busy out here but we are having a bit of fun too. We had our

our battalion field day Saturday
and I won the 100 yd. dash and
was on the winning drill team.
It was a hot of fun and service
our company won. we had a
big meal Saturday night.

Hope you are O.K. and
write if you have time. I don't
need a thing so don't worry
about me.

Kenny starts his business
today I hope I get to see him
again before we ship out some-
place.

I see that H.V. beat K. State
25-2, sounds like we are doing
a little better.

So long
Bob.
