Dear Dad:

Here I am at Camp
Marey in Paris Texas
about 300 miles closer to
home than Berkeley is.

I and another boy got
us a room so that we
could catch upon our sleep
a little before taking our
tests tomorrow and
Tuesday. They tell us that
the tests are plenty hard
and that 60% of the boys
who take them fail to pass.
I'm going to do my best
but I'm afraid that I
won't do well enough on
them.

I haven't been here very long but I sure to like what I've seen so far of Camp Mabey. We didn't get there until early Sat. morning and Saturday afternoon at 2 P.M. they gave almost everyone passes; something that didn't happen very often at Camp Berkeley. They told us that we could wear the caps with bill on them as soon as I get to town. I spent \$7.95 for one. They don't have bed-check here and we can go to town any night we wish. If I'm fortunate enough

To pass the tests I'll be
here for 4 or 5 weeks but if
I fail I will be sent back
to Berkeley.

Dallas is only 104 miles
from here and we had
planned on going there last
night but this boy I am
with had an attack of catarrh
and finally had to be taken
to the hospital. If I'm still
here next weekend I think
I'll try to go for this town
is so small there's not much
we can do.

Mom and Henry should
be home when you get
this letter. Tell Henry to
take it easy and not to

be afraid to talk to the
officer in his next camp.

This per the hotel
furniture isn't much good
so I'd better stop. Hope you
can read what I've written
With Love
Bob.

My boots are up Doc!
and I'd try to get a few
more the time home.
