Dear Kanny!

11, Feb - 1945

I finally got your address from home today so I hope you start getting my letters. "Mom" sent me some pictures that you had sent home, you look like that place is agreeing with you, in fact I think you're bigger than I am now.

"Mom" is on another trip, I hear her about travelling more than Mrs. Roosevelt every time I write home. I hope she's having a good time for she deserves to have one now and then. I guess they're trying to get "Dad" to join Kirovans, the next time you write her try to encourage him a little, it would be nice for her.

I haven't run across "Ernie or Mahini" but I may before the war's over. Eugene Puff is over here somewhere close but I can't find him either.

I hope you're getting along all right and are getting ready to go home on rotation pretty soon, as for me I'm still not doing much and will probably be here a long time. Write when you can, I haven't heard from you in a long time. I'll write often now that I have your address. "Sobry" Bob
