UNITED STATES ARMY

May 12 -

Dear Norma Joan:

Here is the letter I should have written last night but for some reason I didn't get around to it.

The last two days I've been on detail from 5: A.M. until 7: P.M. so by the time 9:30 rolls around I'm ready to hit the hay. I've been sitting in a fox hole holding targets while men about 50 yards away try to hit them. There isn't much to it but with bullets flying over my head I manage to stay down pretty low in my fox hole.

I had a letter from ~~Henry~~ Gloria today, she said that she had heard from Henry, but didn't know where he was. She talked mostly about "Butch" and told me how he "hollered and gook" and all that stuff. All kidding

Aside I would like to see him
and see if he is the super man
"Mom" says he is. The pictures of
him were really good, I guess
he'll be my "pin up" until I
find something a little older.

I am glad that you like
your job, you really have a swell
boss, and I imagine he is
plenty swell to work for. Keep on
working and you may be the Manager
some day. That \$25.00 bonus really
sounds okay. I wish Uncle Sam
would give me one now and
then.

Tomorrow I go on the firing
range again only this time I get
to shoot and someone else can
do the dirty work in the job-hob.
It will be the first time I've fired
a gun since I been in the army
so I'm sort of looking forward to
it.

Nothing much more to write about

UNITED STATES ARMY

but I will write to you now.

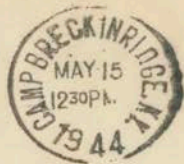

Keep writing to Kenny for he
is the one to worry about, I'll be
here for 3 or 4 months probably.

but one more letter to write
and then I'm going to bed --- 4:30
comes pretty early around here.

Love
"Bob"

P.S. Tell "mom" I got the box and she
can send some more of those
cookies just any time —.
